With any of the multi-unit landlords, there may be changes, so speaking with them directly is always the best thing to do. With any of the properties, a member of your unit may be able to help preview the quality for the incoming serviceperson. Contact your commanding officer for this information. This list is intended for Coast Guard use only. It is dated at the top so that the user can see how recently it was updated.

**In addition to individual Landlords, Kinney Rentals in Thomaston specializes in Rental Properties. 207-354-0100**
